

HEAVY DUTY DIESEL

MOTOR OIL

TruSouth HDD 10, HDD 30, and HDD 40 are high performance heavy-duty oils for use in diesel-powered engines and diesel-powered equipment.

APPLICATION:

- API Certified
- Meets or exceeds API SL/CF quality and previous API gasoline classifications SJ, SH, and SG
- Heavy-Duty diesel and mixed fleets in all types of over-the-road service, including engines with EGR
- Recommended for diesel powered equipment including those powered by Caterpillar, Cummins, John Deere, Detroit Diesel, and Mack
- Off-highway applications where a universal engine oil is desired, such as construction, mining, logging, and agricultural service
- Heavy-Duty transmission application requiring C-4

TYPICAL PROPERTIES

Test	Method	HDD 10	HDD 30	HDD 40
Viscosity, cSt @40C	D 445	37.5	81.1	131.5
Viscosity, cSt @100C	D 445	6.6	11.2	15.1
VI	D 2270	133	130	119
Pour, C(F)	D 5950	-45 (-49)	-42 (-44)	-36 (-33)
Flash, COC, C(F)	D 92	210 (410)	215 (419)	213 (415)
Neutralization No. (TBN-E)	D2896	10	10	9.2

Order Numbers

Available in:	HDD 10	HDD 30	HDD 40
12/1 Quart	0150001	0100301	0100401
5 gallon pails	0150014	0100314	0100414
55 gallon drums	0150011	0100311	0100411
and bulk	0150000	0100300	0100400
